- Do attorneys still file any CJA-related documents in CM/ECF?

### Introduction

The CJA eVoucher System is a web-based solution for submission, monitoring, and management of all Criminal Justice Act (CJA) functions. The eVoucher program will allow for:

- Online authorization requests by attorneys for service providers.
- Online voucher completion by the service provider or by the attorney acting for the service provider.
- Online voucher review and submission by the attorney.
- Online submission to the court.

Unless the court has indicated otherwise, attorneys are generally required to create and submit vouchers for their service providers. The program includes the following modules:

### **Panel Management**

- Allows attorneys to manage their own account information including address, phone, firm associations and applicable CLE credits.
- Allows for submission of holding periods or a specific amount of time taken off for medical leave, vacation, etc.

### **Voucher and Authorization Request Submission**

- Authorization requests by attorneys for expert services
- Requests by attorneys for interim payment
- Upload supporting documents to vouchers or authorization requests
- Reports for attorneys to take an active part in monitoring costs

### **Browser Compatibility**

- Windows: Internet Explorer 8 or newer are approved.
- Apple Macintosh: Safari 5.1 or newer is approved.

Some courts may send a proposed email to the attorney, awaiting acceptance of a specific case.

### **Reports and Case Management**

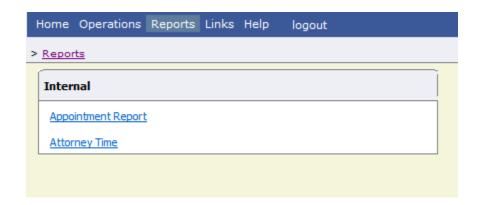

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours, and expert services, by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear on the left review panel.
- Each panel, depending upon which document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

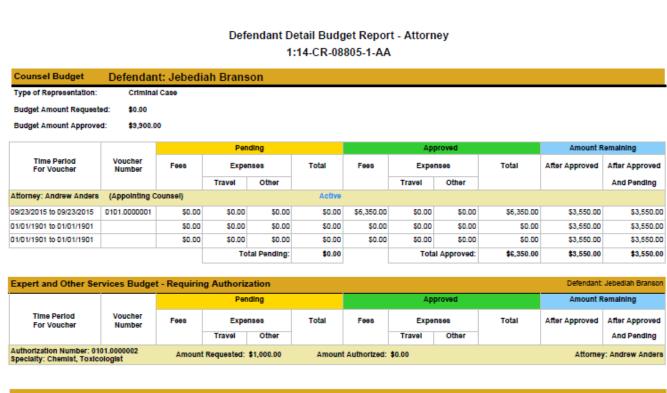

You can find other accessible reports on the menu bar.

### **Defendant Detailed Budget Report**

This report reflects the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

The report provides the information in two sections: attorney appointment and authorized expert service.
